

Name: _____

Month: SEPTEMBER

At Home Learning Menu

Monthly Research	Reading	Math	Enrichment																																				
Labor Day is celebrated in the United States and Canada on the first Monday in September. Find out if it is celebrated in any other countries. Also, try <u>listing an occupation for each letter of the alphabet</u> .	Enjoy an Audiobook- Audiobooks are a fun way to enjoy literature and grow reading	Problem of the Month- Cindy had a party. She invited two guests. Her guests each invited four guests, and then those guests each invited three guests. How many people were at Cindy's party? Explain how you determined your solution.	Coastal Cleanup Day- http://www.coastal.ca.gov/ Head out with your family to help clean up California's coast on Saturday, September 16th.																																				
Citizenship Day is on the 17th. <u>Write a paragraph</u> describing each of the different ways a person may become a U.S. citizen. Also, list three or more challenges a person would face coming from another country to live in the U.S.	Catch Up on Current Events- Read about what's happening in the world around us. Check out some of these great sites for kids. NewsELA, Time for Kids, Tween Tribune	Math Facts Practice: Spend ten minutes a day practicing multiplication and division facts. If you have flash cards, make an easy, medium, hard pile as you go through facts. Analyze your piles to see which fact families you should work on.	Learn a New Game- Yahtzee, Dominos, Uno... These are just a few of your teacher's favorites! Read the instructions manual and play with a parent or buddy.																																				
The season of FALL begins later this month. <u>Write a poem or essay</u> about fall telling about the changes that it brings, such as different clothing worn, seasonal games that are played, changes in the natural world (plants, animals, weather).	Book Advertisements- Love a book you read this month? Create a book commercial or poster to share with your classmates.	Math Games: prodigy.com mathplayground.com mathisfun.com	Cooking Time- Learn to cook something you've never tried before. Find a recipe and work with a friend to whip up something delicious.																																				
Rosh Hashanah is a religious holiday that occurs in late September. Discover what <u>major religion</u> celebrates this holiday and <u>what it is about</u> . Identify what traditions are associated with Rosh Hashanah (traditional foods served, activities people do, songs that are sung).	Cartoon Square Create a series of 6 drawings in 6 squares that shows a significant event in a book you are reading. Under each picture or cartoon, write a few lines of explanation.	<table><tr><td></td><td>3</td><td></td><td></td><td></td><td>2</td></tr><tr><td>4</td><td></td><td>2</td><td>1</td><td></td><td>3</td></tr><tr><td>6</td><td></td><td>4</td><td>3</td><td></td><td>1</td></tr><tr><td></td><td>1</td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td>1</td><td>6</td><td></td><td></td></tr><tr><td>5</td><td>6</td><td>3</td><td>2</td><td></td><td></td></tr></table>		3				2	4		2	1		3	6		4	3		1		1							1	6			5	6	3	2			Explore the Great Outdoors- Enjoy hiking, nature walking, bird watching, Geocaching. Share your experience by writing a journal entry.
